**Accessibility has  
never looked better**

When you think of bathroom adaptability & accessibility, do you envision beautiful ceramic, stone, or glass tile?

*You should!*

With our **TileDesign** showers, tub/shower combinations, and shower pans, you can count on the quality, peace-of-mind and worry-free maintenance for which Bestbath® is known, while enjoying a customized look that will add a “wow factor” to your project.

Featuring custom recessed panels for inlaid tile accents and available with a range of barrier-free and residential curbed options, the **TileDesign** provides an elegant look for traditional installations or for universal design and other accessible applications.

## Showers and Tub Combos

Bestbath's **TileDesign** single- and multi-piece showers and tub combos offer custom molded recesses on the side and/or back walls. These panels can be filled with a limitless array of decorative styles, such as colorful glass or ceramic, providing a custom design that lets you carry backsplash tile work onto your shower walls and/or floor.

Multi-piece units feature our patented interlocking system technology for smooth installation and a tight seal, preventing leaks or water damage.

design meets function

## Shower Pans

The Bestbath **TileDesign** shower pan offer molded recesses to set tile, enabling the elegant aesthetic to flow from shower wall to floor.

Sleek and beautiful, the pan enhances the shower's clean and modern design and eliminates the worry of leaks with typical tile shower pans. Designed for easy installation, these shower pans come pre-leveled from the factory.
